Mr. Stephan Zobel  
Fire Officer,  
Munich International Airport,  
Germany.

Dear Sir,

I am sending this note of thank and appreciation on behalf of the Bishop of the diocese of Galle. I take this opportunity to express my sincere gratitude to you and your people in Germany for your generosity at this most needy hour of our people. We appreciate very much your concern, donations and hard labour given to support our people.

I spoke to Mr. Gerhardt this morning and thanked him too for arranging these supplies for us. I also told him that I have requested from you to donate, if possible, to Caritas-Galle the water pumps before you leave. He said that he would talk to you about it. We are trying to get three water-pumps and three generators for the three Caritas centres in the southern province.

I am sending a representative from Caritas-Galle to collect the towels, clothes, medicine etc. that you have saved for us. We shall assure you that these items would be duly distributed among the Tsunami affected families.

May God bless you!

Thanking You,

Fr. Raja Perera.
